**FOR IMMEDIATE RELEASE**

**RADCOM Reports First Quarter 2019 Results**

- *First quarter revenues of \$6 million*
- *Entered into a three-year contract with AT&T to continue the successful relationship*
- *Cash and cash equivalents and short-term bank deposits of \$56.8 million and no debt*

**TEL AVIV, Israel – May 7, 2019 – RADCOM Ltd. (NASDAQ: RDCM)** today reported its financial results for the first quarter ended March 31, 2019.

“The year began with the signing of a 3-year agreement with AT&T which validates our close working relationship. We are encouraged by the ongoing trust they place in our advanced virtualized technology which we continue to develop, enhance, and deliver for their pioneering network transformation” commented Mr. Yaron Ravkaie, RADCOM’s CEO. “We are reiterating our guidance of \$28-\$32 million for 2019 and continue to focus on delivering innovative solutions to our customers by investing in R&D and maintaining our position as the ‘go to’ assurance vendor of telco virtualization. We expect our continued product development will bear fruit when more operators are ready to move forward with their transition to NFV and begin their 5G rollouts.”

**First Quarter 2019 Financial Highlights:**

- **Revenues:** Total revenues for the first quarter were \$6.0 million, down 45% compared to \$10.9 million in the first quarter of 2018.

**Non-GAAP Information**

Certain non-GAAP financial measures are included in this press release. These non-GAAP financial measures are provided to enhance the reader's overall understanding of the Company's financial performance. By excluding non-cash stock-based compensation that has been expensed in accordance with ASC Topic 718, the Company's non-GAAP results provide information to both management and investors that is useful in assessing the Company's core operating performance and in evaluating and comparing the Company's results of operations on a consistent basis from period to period. These non-GAAP financial measures are also used by management to evaluate financial results and to plan and forecast future periods. The presentation of this additional information is not meant to be considered a substitute for the corresponding financial measures prepared in accordance with GAAP.

**Risks Regarding Forward-Looking Statements**

Certain statements made herein that use words such as "estimate," "project," "intend," "expect," "believe," "may," "might," "predict," "potential," "anticipate," "plan" or similar expressions are intended to identify forward-looking statements within the meaning of the Private Securities Litigation Reform Act

of 1995 and other securities laws. For example, when the Company discusses its continued investment in technology to meet the needs of its clients, the expected role of NFV and the Company's solutions in 5G networks, the Company's technological leadership or industry recognition, the Company's pipeline of opportunities, and its revenue guidance, it is using forward-looking statements. These forward-looking statements involve known and unknown risks and uncertainties that could cause the actual results, performance or achievements of the Company to be materially different from those that may be expressed or implied by such statements, including, among others, changes in general economic and business conditions and specifically, decline in the demand for the Company's products, inability to timely develop and introduce new technologies, products and applications, and loss of market share and pressure on prices resulting from competition. For additional information regarding these and other risks and uncertainties associated with the Company's business, reference is made to the Company's reports filed from time to time with the U.S. Securities and Exchange Commission. The Company does not undertake to revise or update any forward-looking statements for any reason.
