## **RADCOM Reports Second Quarter 2019 Results**

- Second quarter revenues of \$8.5 million
- Selected by Rakuten Mobile to assure the world's first fully virtualized cloudnative mobile network
- Cash, cash equivalents and short-term bank deposits of \$58.6 million and no debt
- Increasing 2019 revenue guidance range to \$30-\$33 million

**TEL AVIV, Israel – August 12, 2019 – RADCOM Ltd. (Nasdaq: RDCM)** today reported its financial results for the second quarter ended June 30, 2019.

"We are pleased with our new strategic customer, Rakuten Mobile, and the multi-year agreement signed with this innovative operator in Japan. This agreement already impacted our revenues in the second quarter, and we are delighted with the progress already made on this pioneering project," commented Mr. Yaron Ravkaie, RADCOM's CEO. "Rakuten chose RADCOM because of our deep NFV expertise, our ongoing work, and partnership with AT&T and our advanced, cutting-edge virtual technology. This strong vote of confidence in our technology further cements our position as the leading, most advanced NFV assurance vendor for operators transitioning to NFV and planning their 5G rollouts."

#### **Non-GAAP Information**

Certain non-GAAP financial measures are included in this press release. These non-GAAP financial measures are provided to enhance the reader's overall understanding of the Company's financial performance. By excluding non-cash stock-based compensation that has been expensed in accordance with ASC Topic 718, the Company's non-GAAP results provide information to both management and investors that is useful in assessing the Company's core operating performance and in evaluating and comparing the Company's results of operations on a consistent basis from period to period. These non-GAAP financial measures are also used by management to evaluate financial results and to plan and forecast future periods. The presentation of this additional information is not meant to be considered a substitute for the corresponding financial measures prepared in accordance with GAAP.

#### **Risks Regarding Forward-Looking Statements**

Certain statements made herein that use words such as "estimate," "project," "intend," "expect," "believe," "may," "might," "predict," "potential," "anticipate," "plan" or similar expressions are intended to identify forward-looking statements within the meaning of the Private Securities Litigation Reform Act of 1995 and other securities laws. For example, when the Company discusses its continued investment in

technology, the expected role of NFV and the Company's solutions in 5G networks, transition to NFV and adoption of 5G, the success of the engagement with Rakuten Mobile, the Company's market position, and its revenue guidance, it is using forward-looking statements. These forward-looking statements involve known and unknown risks and uncertainties that could cause the actual results, performance or achievements of the Company to be materially different from those that may be expressed or implied by such statements, including, among others, changes in general economic and business conditions and specifically, decline in the demand for the Company's products, inability to timely develop and introduce new technologies, products and applications, and loss of market share and pressure on prices resulting from competition. For additional information regarding these and other risks and uncertainties associated with the Company's business, reference is made to the Company's reports filed from time to time with the U.S. Securities and Exchange Commission. The Company does not undertake to revise or update any forward-looking statements for any reason.
